

# Delphi Premium Radio Accessories

### ► Description

Delphi's Premium Radio Accessories are specifically designed for the extreme driving environment of on- and off-road vehicles. Backed by a 1-year warranty, Delphi's infrared remote control, CD changer, and CD changer magazine are compatible with Delphi Delco Electronics® premium cassette and CD receivers. To purchase, call Pana-Pacific Corporation at [1] 800.726.2636.

### ► Benefits

- Built to withstand rugged heavy-duty and off-road environments
- 1-year unlimited-mile warranty

### Infrared Remote Control Features

- BAND: Selects AM, FM1, FM2, FM3, or WX
- POWER: Turns receiver on/off
- SEEK UP/DOWN: Moves to next strongest radio station or to next cassette/CD track
- II: Reduces volume to a minimum (display will read "MUTE")
- AUX: Plays a CD loaded in CD changer; second press selects next CD in changer
- PLAY/PAUSE: Plays or pauses cassette or CD
- +/-: Adjusts volume

Delphi Premium Radio Accessories
